We had quite a lot to get ready to go, but no difficulty on the trip. Edith is at a CEF Conf at Dr. Rapids, Mich. I came to Ill by bus. John turned in a paper today and has an exam Thurs. They are trying to figure when to take me to C.R. I see Edith. Then we will start home, hoping to get back Sat night. The Conf Edith is at is at Calvin College. Their graduation was last Sat. The Lord bless you. With love
